## **WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES**

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- eye or muscle twitches
- disorientation
- any involuntary movement
- altered vision
- loss of awareness
- seizures
- or convulsion.

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

### **Use and handling of video games to reduce the likelihood of a seizure**

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®3 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

### **NOTICE:**

Use caution when using the DUALSHOCK®3 wireless controller motion sensor function. When using the DUALSHOCK®3 wireless controller motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage. Before using, check that there is plenty of space around you. When using the controller, grip it firmly to make sure it cannot slip out of your hand. If using a controller that is connected to the PS3™ system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS3™ system while using the controller.

### **WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PS3™ system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

### **HANDLING YOUR PS3™ FORMAT DISC:**

- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

### **NOTICES:**

Video output in HD requires cables and an HD-compatible display, both sold separately.

## **GETTING STARTED**

### **PlayStation®3 system**

**Starting a game:** Before use, carefully read the instructions supplied with the PS3™ computer entertainment system. The documentation contains information on setting up and using your system as well as important safety information.

Check that the MAIN POWER switch (located on the system rear) is turned on. Insert the **ASURA'S WRATH™** disc with the label facing up into the disc slot. Select the icon for the software title under [Game] in the PS3™ system's home menu, and then press the  button. Refer to this manual for information on using the software.

**Quitting a game:** During gameplay, press and hold down the PS button on the wireless controller for at least 2 seconds. Then select "Quit Game" from the screen that is displayed.

### **Hint**

To remove a disc, touch the eject button after quitting the game.

**Trophies:** Earn, compare and share trophies that you earn by making specific in-game accomplishments. Trophies access requires a PlayStation®Network account.

### **Saved data for PS3™ format software**

Saved data for PS3™ format software is saved on the system's hard disk. The data is displayed under "Saved Game Utility" in the Game menu.

## Story

The mighty nation of Shinkoku Trastrium, sole super power and center of civilization, dominates the world.

It is a hybrid civilization melding modern industrial technology with spiritualism and religion. The upper class, known as demigods, rule over humankind in a strict hierarchial society.

But even the great demigods of this world have a vexing problem--the Gohma.

These monstrous creatures borne of defiled land instinctively attack demigods, humankind, and civilization itself.

Virtually powerless, humankind is at the mercy of daily attacks by the Gohma. Their only hope lies with the demigods.

Asura and his comrades, known as the Eight Guardian Generals, ultimately led the Shinkoku Army to victory over Gohma Vltra, the source of all Gohma, after many bloody, hard-fought battles.

Thus, Shinkoku Trastrium enjoyed a brief moment of peace.

But this tranquility was shattered by the assassination of their emperor and the framing of Asura for the crime. Asura's comrades, the other seven Guardian Generals, were behind it all!

His darling daughter was abducted by the Guardian Generals and his wife Durga slain.

Defeated and cast down from Heaven by the Guardian Generals, Asura vowed vengeance upon his former comrades as his life slipped away.

Our story's hero. Was once one of the Eight Guardian Generals that led the Shinkoku Army, but was betrayed by his seven Comrades, who abducted his daughter, slew his wife, and left him to die. But even in death, he was filled with an indelible rage that led him back to the world of the living.

ASURA

YASHA

One of the self-proclaimed Seven Deities. Formerly one of the Eight Guardian Generals that lead the Shinkoku Army. Calm and collected, and a master of the military arts. Possesses speed and abilities that make him a prominent figure among the Seven. Eternal rival of Asura.

Twelve thousand years have passed since that brutal betrayal...

# Tips

### Unleash the Special Attack!

Close in to a knocked down enemy and use the Special Attack! It will deal great damage as well as giving a boost in the Burst Gauge!

**But watch out! Beware of Overheating!**

### Make use of the Target Lock!

When the enemy is out of sight, use the Target Lock to relocate them! It is also effective to lock on to range enemies that attack from afar!

**But watch out! It won't work when there are no enemies nearby!**

### Make a comeback using the Unlimited Mode!

When the Unlimited Gauge is full press **L2** to activate! Go through enemy attacks to land relentless combos!

**But watch out! It doesn't last forever!**

### Launch enemies into the sky with the Dash Attack!

When an enemy is caught off guard with the Dash Attack they are thrown up in the air! It can be linked to a combo or aim for the Special Attack after knocking them down!

**But watch out! There is no one to blame if you miss!**
