Ubisoft Driver San Francisco PlayStation 3 Instruction Manual

1. INTRODUCTION

This manual provides essential information for playing *Driver San Francisco* on the PlayStation 3 console. It covers game setup, basic controls, core gameplay mechanics, and technical specifications to enhance your gaming experience.

Driver San Francisco is an action-driving video game developed by Ubisoft. Players assume the role of Detective John Tanner, navigating the city of San Francisco in a variety of vehicles to pursue a criminal mastermind.

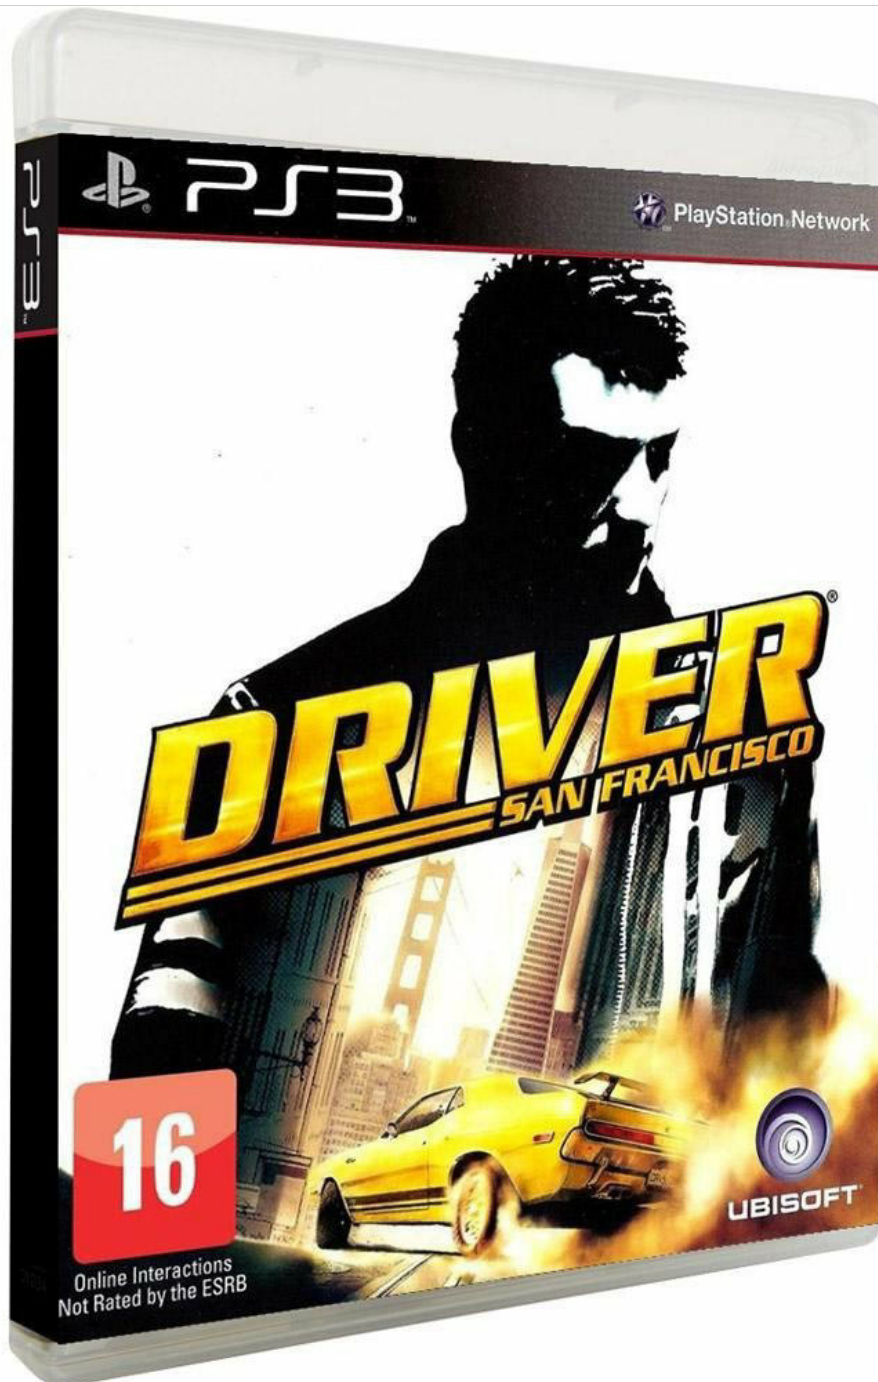

Image 1.1: *Driver San Francisco* game case for PlayStation 3. The cover features the game title, a stylized image of the protagonist, a yellow muscle car, and the Golden Gate Bridge with the San Francisco skyline in the background. The PlayStation 3 logo and Ubisoft branding are also visible.

2. SETUP

2.1 System Requirements

- PlayStation 3 console (Compatible models: Sony PlayStation 3 CECH-4012C and others).
- Standard PlayStation 3 controller.
- Sufficient storage space on the PlayStation 3 hard drive for game installation and save data.

2.2 Installation

1. Insert the *Driver San Francisco* game disc into the PlayStation 3 console's disc drive.
2. Follow the on-screen prompts to install the game data onto your console's hard drive. This process may take several minutes.
3. Once installation is complete, the game will be ready to launch from the PlayStation 3 XrossMediaBar (XMB).

3. OPERATING INSTRUCTIONS

3.1 Basic Controls

The game utilizes the standard PlayStation 3 controller. Key controls include:

- **Left Analog Stick:** Steer vehicle.
- **Right Analog Stick:** Camera control.
- **R2 Button:** Accelerate.
- **L2 Button:** Brake/Reverse.
- **X Button:** Activate Shift ability (when available).
- **Square Button:** Handbrake.
- **Triangle Button:** Change camera view.
- **Circle Button:** Interact/Horn.
- **Start Button:** Pause menu.
- **Select Button:** Map/GPS.

3.2 The Shift Mechanic

A core gameplay feature is the "Shift" ability. This allows Detective Tanner to instantly transfer his consciousness into any other vehicle on the road. To use Shift:

1. Press the **X Button** to enter Shift mode. The game camera will zoom out to an aerial view of the city.
2. Use the **Left Analog Stick** to navigate the camera over the desired vehicle.
3. Press the **X Button** again to "Shift" into the selected vehicle.

This ability is crucial for completing missions, evading pursuers, and engaging in strategic car chases.

3.3 Game Modes

Driver San Francisco offers various modes of play:

- **Story Mode:** Follow the main narrative as Detective John Tanner.
- **Free Roam:** Explore the city of San Francisco at your leisure, completing side missions and challenges.
- **Multiplayer:** Engage in online competitive and cooperative driving modes.

4. MAINTENANCE

Proper care of your game disc and console ensures optimal performance and longevity.

- **Disc Care:** Handle the game disc by its edges. Store it in its original case when not in use. Clean the disc with a soft, lint-free cloth, wiping from the center outwards, if smudges or dust are present. Avoid abrasive cleaners.
- **Console Ventilation:** Ensure your PlayStation 3 console has adequate ventilation to prevent overheating. Do not block air vents.
- **System Updates:** Periodically check for and install PlayStation 3 system software updates to maintain compatibility and performance.
- **Save Data:** Regularly back up your game save data to an external storage device or PlayStation Network cloud storage (if subscribed) to prevent loss.

5. TROUBLESHOOTING

Issue	Possible Solution
Game disc not recognized.	Ensure the disc is clean and free of scratches. Insert the disc correctly into the console. Restart the PlayStation 3 console.
Game freezes or crashes.	Ensure your PlayStation 3 system software is up to date. Clear the game data utility (not save data) from the XMB and reinstall the game. Ensure the console has proper ventilation.
Controller input not responding.	Check if the controller is properly connected or charged. Reset the controller by pressing the small button on the back with a thin object. Try another controller if available.

6. SPECIFICATIONS

- **Product Title:** Driver San Francisco - PlayStation 3 Standard
- **Brand:** Ubisoft
- **Platform:** PlayStation 3
- **Model Number:** 34589
- **UPC:** 008888345893
- **Number of Players:** 1 (Offline), Multiplayer modes available online.
- **Release Date:** September 6, 2011
- **Rating:** Teen (ESRB)
- **Compatible Console Models:** Sony PlayStation 3 CECH-4012C and other PlayStation 3 models.
